Local 101 has received its last granted item from the current grant request. This trainer is a faucet repair trainer. It has 9 kitchen faucets and 11 bathroom faucets. It features brands such as Delta, Gerber, Hans-Grohe, Chicago Faucet and T & S. This trainer will provide the plumbers with much needed hands on training on the repair and maintenance of many types of faucets. A big thanks should go out to the Business Manager for his work in securing this trainer.

MANDATORY MAIL ORDER FOR MAINTENANCE DRUGS

APRIL 1, 2015
Your plan will require all maintenance medications be filled by mail order through LDI rather than in local pharmacies. This means that there will be important changes in how you fill and receive your prescriptions.

What are maintenance medications?
Maintenance medications are those drugs commonly used to treat conditions that are considered chronic or long-term. These conditions usually require regular, daily use of medicines.

Can I still get 90 day refills at Walgreens or other retail pharmacies?
No. This will be discontinued. Mandatory mail order in effect.

How do I refill my prescriptions?
You may contact LDI at (866) 516-3121 or order online at www.ldirx.com. Please make sure you order your refill 7-10 days prior to running out of medication.

How long does it take to receive my prescription?
The standard processing time at LDI pharmacy is normally less than 24 hours. This does not include delivery time.

How are the prescriptions delivered?
Medications are sent via United States Postal Service. They are shipped Monday through Saturday.

How can I pay for my prescription order?
LDI accepts all major credit cards, check, cash, or money orders.

How do I contact LDI?
Their phone number is (866) 516-3121, located on the back of your insurance card.

For any member that currently calls into LDI, unaware of the Mandatory Mail Program, LDI is putting in a one-time over-ride for your medications. LDI will inform you about how to utilize mail order for your next maintenance drug refill.

LDI can work with you on delivery location and time. In cases where you are traveling for work, your prescriptions can be delivered to you at that location.
