DUES PAYMENT REMINDER

Keeping track of your Union Dues Payment is as simple as marking a calendar and it prevents a lot of needless trouble for members and Union Office Staff alike. All too often members fall into dues delinquency, and incur additional costs upon themselves, not because of long term financial difficulties, but simply through poor record keeping.

But whatever the reason, falling behind on your monthly dues is bad news; and members have to follow the rules of the United Association to return to good standing. Any member who falls more than three months behind in dues payment automatically becomes delinquent. NO notification is required. Delinquent members are not entitled to any Union right, privileges or monetary benefits. (See UA Constitution Booklet, page 103, Sec. 157)

A delinquent member returns to good standing by paying all back dues through the current month (\$144), **PLUS** a \$50 reinstatement fee. The reinstatement fee cannot be paid until the back dues are paid in full.

REMINDERS:

When you have been laid off, it is your responsibility to inform the Hall. Please call to let us know your lay-off date. This includes members who have been traveling.

When working a job that is out of Local 101's jurisdiction, it is not only a courtesy, but also necessary that you call the Business Manager of that particular jurisdiction. Jurisdictional Maps & Local Contact Information are available at our Hall.

A locked Drop-Box is located adjacent to the Administrative Office Doors. Anyone needing to drop off union dues payments, confidential paperwork, etc. after hours is encouraged to use the box as it is checked every morning.
