RETIREE LUNCH

Cancelled
December

We have been getting a lot of questions about the Continuing Education for this year. Because of COVID and the restriction from the State of Illinois, we will be having a little different format this year. The traditional Saturday morning seminar will not happen this year, instead we will be holding small hands-on classes. These classes will be limited in size to only 10 participants. If there is a class or a day that works best for you, please do not wait to call, and get signed up. The sign up will only be open to members of Local 101 until Friday, December 11, 2020. Starting on Monday, December 14, 2020, we will allow any UA Member to sign up. Below is the list of classes and days that will be available. Each class will be available each day.

CLASSES:

Solder & Braze

This class will be a hands-on class and each participant will be able to test for the UA Solder Certification and the UA 51 Braze Certification. Any Soldered or Brazed coupon meeting the visual requirements will be sent off for testing.

Tube Bending & Propress

This will be a hands-on class. The focus of this class will be demonstration and practice of the mathematical layout and bending of tubes. We will also allow for the practice of the propress system.

Threading & Poly Fusion

This will be a hands-on class and each participant will get the opportunity to practice threading 3" and above piping. The participants will also get the opportunity to receive a certification in Poly Fusion UA PE-1

DUES PAYMENT REMINDER

Keeping track of your Union Dues Payment is as simple as marking a calendar and it prevents a lot of needless trouble for members and Union Office Staff alike. All too often members fall into dues delinquency, and incur additional costs upon themselves, not because of long term financial difficulties, but simply through poor record keeping.

But whatever the reason, falling behind on your monthly dues is bad news; and members have to follow the rules of the United Association to return to good standing. Any member who falls more than three months behind in dues payment automatically becomes delinquent. NO notification is required. Delinquent members are not entitled to any Union right, privileges or monetary benefits. (See UA Constitution Booklet, page 103, Sec. 157)

A delinquent member returns to good standing by paying all back dues through the current month (\$144), **PLUS** a \$50 reinstatement fee. The reinstatement fee cannot be paid until the back dues are paid in full.
