

PLUMBERS & PIPEFITTERS LOCAL 101

JUNE UNION MEETING

Please plan on attending the June 23rd Union Meeting. We are hoping to have an offer from the Contractor's Association for the new contract. If we have a contract offer we will need to vote to either accept or reject the contract offer. If accepted the offer, we will then need to allocate the raise for the 2021-2022 contract year. Make sure you are checking your messages from the hall. We may need to contact you if there is a special meeting needed for contract issues.

CONTINUE EDUCATION & PLUMBING RENEWALS

I hope that all the licensed Plumbers have sent off for their Plumbing License renewals for 2021. These were due no later than April 30th to be on time. There have been a few issues with the Hours and the State. If you have any issues, contact Rich @618-234-5504 ext. 3, to get help with these issues. This year we will be adding more dates to the Continued Education. We will be starting the classes in September, with classes every month. This will give all the plumbers more opportunities to get your required hours. Please keep watching the newsletters for more information about the upcoming classes.

Please make plans to come out and support the 101 Club at our yearly fundraiser. This is how we support those who support us.
